WARSAW 2027 MUN

26th to 28th February, 2027

Dear all,

It is with great anticipation that we, the AKAMUN Secretariat, extend a formal invitation to you to join us for the upcoming session of AKAMUN, held in partnership with ISP, from the 26th to 28th of February, 2027, at Akademeia High School in Warsaw, Poland.

AKAMUN has a growing legacy of bringing together delegates from diverse backgrounds and experiences, providing a space for meaningful debate, diplomacy, and the discussion of pressing global affairs. This year, AKAMUN is proud to welcome participants from across the international MUN community for a conference built around collaboration, intellectual challenge, and the exchange of perspectives.

At AKAMUN 2027, we are delighted to offer twelve committees, each providing delegates with the opportunity to engage with complex issues, develop their diplomatic skills, and work towards creative and collaborative solutions. Through our partnership with ISP, we look forward to fostering an even more diverse and engaging conference experience.

Additionally, if you have any questions or concerns, please do not hesitate to reach out to a member of our Secretariat.

We look forward to welcoming you to Warsaw for AKAMUN 2027.
